To Whom it May Concern:

It is with pleasure that I recommend Marguerite Coldwell as a Consultant Trainer.

We were first introduced to Marguerite in 2009 when our organisation undertook to employ the services of Choice Training Solutions Pty Ltd for training of staff in Certificate IV – Business Administration.

From the outset, Marguerites warm and friendly nature allowed our staff to build an instant rapport, which in turn fostered a very positive and encouraging training environment. As training progressed it became clear that Marguerites ability to connect with her students and her 'hands on' approach to training were invaluable in being able to convey more advanced topics simply and clearly.

Vitality National and its associated companies are in a period of rapid growth. Marguerites professional advice and guidance to the staff during this time in providing them with necessary skills to adapt has been extremely helpful. In particular, I was extremely impressed with Marguerites ability to ensure that the topics covered during training always related specifically to the work roles of the individual employees and the organisation in general.

I recommend Choice Training Solutions Pty Ltd and Marguerite Coldwell without reservation.

Yours Sincerely,

Christine Trainor
